“People Helping People” Scholarship  
\$1,000***

***“... whoever wishes to become great among you shall be your servant...”  
Matthew 20:26***

Chattahoochee Federal Credit Union’s Board of Directors are pleased to announce the start of its **Dr. Oscar L. Crawley, Sr. Memorial “People Helping People” Scholarship**. Oscar had served on the Chattahoochee Federal Credit Union’s board of Directors for 17 years and he led the credit union as chairperson from 2008 until his death on October 6, 2015. He exemplified the credit union philosophy of “people helping people” by donating countless hours of time without any financial compensation.

Crawley was born in LaFayette, Alabama. As a young boy, Crawley spent his summers with his grandparents where he worked closely with his grandfather and learned good work ethics and the importance of pursuing his dreams. Crawley’s mother encouraged him to study hard and go to college. Oscar fulfilled those dreams by attending Alabama State University (ASU) where he received a Bachelor of Science Degree in Political Science. He continued with graduate studies at both the University of Hartford in Connecticut and University of South Alabama.

Crawley was a servant leader. He commenced his career of service in public education as teacher and coach in Marengo County, Alabama. Later he joined West Point Pepperell Manufacturing Company where he received numerous accolades for helping people find jobs, protecting people on the job, and encouraging people to further their career and educational goals. After thirty-four years of service, he retired as Director of Corporate Human Resources & Security.

Crawley served his alma mater as a member of the ASU Board of Trustees for fifteen years. He accomplished another milestone when he was elected the first African-American Mayor of the City of Lanett. As mayor, he cared about the local economy, and therefore exerted a concerted effort to attract business to the region.

In addition to his service as an elected official, he consistently volunteered his time and service to the causes of various civic boards of directors such as Founder/Former President of the Boys & Girls Club of Chambers County; President of the Valley United Fund; Board Member of Valley Crime Stoppers; Boy Scouts of America; Chamber County Juvenile Task Force; and Lanier Memorial Hospital. A reservoir of goodwill, Crawley dedicated his life to helping others, his service yielded seeds of harvest in the lives of his family, friends, colleagues, and community, both collegially and professionally, that had a sizable impact throughout the Valley Greater Area and state.
